

Northfield Mountain

RECREATION & ENVIRONMENTAL CENTER

Trail Report - Thursday February 2, 2012

**We're still closed for
wintersport activities.**

**We are still hanging on to about an inch of
icy base on the trails about half way up the
mountain. However most of the fields,
lower elevations, and south facing expo-
sures are bare.**

Think Snow

While we are waiting for snow and while the
ground is frozen, the trails are open for foot
traffic only. If you are hiking, watch for icy
patches. The building will be closed on Sunday
(2-5-12)

**For the health and safety of all,
pets must remain attached
to their owners by a leash
while visiting any of
Northfield Mountain's properties.
Please pick up after your pet.**

We can now be found on Facebook.
Go to our website and click on the
"find us on Facebook" link. Thanks!

***Please note: When we are OPEN for skiing,
pets are NOT allowed on the trails***
