

Northfield Mountain
RECREATION & ENVIRONMENTAL CENTER

March 15, 2019

Trails Closed

After a week of increasingly warm weather we are calling an end to the ski season at Northfield Mountain. We anticipate ice and then mud to cover the trails through the remainder of March.

To prevent damage we're asking people to stay off the trails until the melting and mud season end. When the trails dry out we'll open for hiking and walking again.
